This action is responsive to applicant's amendment/remarks filed 03/08/07. Claims 16-19, 21-26, 30-72 are pending.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 16, line 1, change "claim 1" to -claim 30--.

In claim 21, line 1, change "claim 20" to -claim 30--.

In claim 24, line 1, change "claim 20" to -claim 30--.

In claim 50, line 1, change "claim, " to -claim 30--.

Authorization for this examiner's amendment was given in a telephone interview with Mr. David Fonda on 03/19/07.

The following is an examiner's statement of reasons for allowance:

Initially, note that non-elected (species) claims 16-19 and 21-26 have been rejoined.

Art Unit: 1751

The instant claims are allowed for the reasons set forth in the response filed 03/08/07. Specifically, Wallin and Liu do not disclose or suggest the claimed proton conducting ceramic phase and electron conducting phase which are gas impermeable. With respect to Kuenstler, while the reference discloses a small amount of ceria by-product, it is not an inherent certainty that such meets the claim limitation(s) regarding electron-conducting phase.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Kopec whose telephone number is (571) 272-1319. The examiner can normally be reached on Monday - Friday from 9:30 AM to 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Douglas McGinty can be reached on (571) 272-1029. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
